

LANEFEST FOOD, DRINK & FESTIVAL SPIRIT PACKS

The voucher books are going to be distributed by your host prior to the event, as this helps us predict the volumes of food and drink we need to prepare.

The bar and food counters are being manned by volunteer friends and neighbours and any profits will go to the **Julia's House Children's Hospice** charity.

When it's gone it's gone, although we plan to cater for slightly over the number of voucher books sold, we will only take a voucher for any food and drink supplied on the day.

x10 Vouchers to a Book @ £25

How and when do I pay for my Voucher Book?

This is between you and your host, however most hosts will provide bank details so you can transfer the monies and collect your voucher books on the day. Vouchers will need to be paid for by the Friday 6th of August as we will be purchasing food and drink in the week prior to the festival.

Can I purchase a Voucher Book on the day?

A limited number of voucher books will be available for purchase on the day at £30.00.

Can I get a refund on any unused vouchers?

No – Purchasing a voucher book helps us manage things like the food & drink we buy in. As a one off event we don't want any waste – so if you fancy a roll or two- then it's your responsibility to ensure you're there when they're being served. As the event is being funded jointly by your hosts we hope you understand this position.

Food and Drink

With such a long day the chances are you'll get peckish – so here's the food we're putting on and when it will be served. We apologise if this isn't to your taste but we're not a commercial venture and you're welcome to bring your own picnic, bbq or order from the many local takeaways.

Served at 5.30pm (ish)
